

Failure to follow these instructions will delay your new or renewing notary commission by up to 10 weeks. New notaries*, please include your notary education certificate.

Please review your application carefully. If a correction needs to be made, you may line through it and neatly correct it. There can be no "white out" anywhere on the application or bond.

- The state of Florida **requires your FULL NAME** on the first line of the application. When you **PRINT & SIGN** your name in the Oath of Office section at the top of page two, your name **MUST** appear as follows. You may use an initial for your first or middle name but not for both : For example, John R. Doe or J. Richard Doe are acceptable but not J.R. Doe, J. Doe or R. Doe. However, a signature with a nickname or shortened name is acceptable (Joe for Joseph or Sue for Susan).
Your name on your notary commission certificate and notary stamp/seal will appear as you have signed and printed on the Oath of Office. This will be your official signature on file with the state of Florida and it is how you must sign when you notarize a document. Your signature must be the same on the notary application, bond and notary education certificate.
- **You must have someone who knows you** sign the "Affidavit of Character" section. This individual is attesting to your character, so they may not be family members. (Many applicants have co-workers serve as an Affiant. An affiant is the person who is your character witness.)
- **You must sign the State of Florida Bond of Notary Public by the ✓ on the "Signature of Applicant" line.**
- **Return** your Notary Application, Oath, Bond, and Notary Education Certificate (if required) to Florida Notary Service via US mail or overnight courier service. We are required to have the original forms with "your wet" ink signature.

Thank you.

Please mail the application, oath, bond and notary education certificate (if required) to:
